

**MEMORANDUM OF AGREEMENT  
Between**

**Research Center for Innovation and Feed Technology  
Universitas Syiah Kuala, Banda Aceh Indonesia  
and  
Asia Pacific Network for Sustainable Agriculture, Food, and Energy  
(SAFE-Network)**

**Research Center for Innovation and Feed Technology Universitas Syiah Kuala, Banda Aceh Indonesia and Asia Pacific Network for Sustainable Agriculture, Food, and Energy (SAFE-Network) to foster education, research and community services between both parties, hereby agree as follows:**

1. Both parties shall encourage the following activities in academic and educational fields where they have mutual interest:
  - a. Joint research activities
  - b. Public lecturer, joint international seminar
  - c. Training for human resources development,
  - d. Community services activities,
  - e. Share research results, academic publications and other academic information; and
  - f. Other academic activities upon mutual agreement of both parties
2. Before initiating any particular program, both parties shall negotiate and agree upon the implementation of each program based on this agreement under a separate agreement.
3. Both parties understand that all financial arrangements must be negotiated in advance and depend on the availability of funds.
4. This Memorandum of Agreement shall be valid for five years starting from the date of the last signature. It will be automatically extended for five (5) years following the initial five (5) year period. Either party may terminate this agreement upon written notice to the other party six months before the termination. In such cases, programs underway shall be allowed to be completed according to the terms that have been agreed upon.
5. This agreement is written in English and both parties retain one copy of the authentic texts.
